

Park Glen BOD monthly meeting minutes  
February 21, 2012

General Session

Meeting began at 6:40pm

Guest Speakers:

- Mr. Coleman from AUMC came to talk about a plan the church has for a Community Garden. This garden would be located on the south side of the lot. This would be a way all residents to rent an area for them to garden and grow their produce. City permits need to be obtained for approval. If approved by BOD and Pak Glen, we would help them by promotion from the Association, Newsletter and vote from the HOA.
