Guest Speaker

- Everett McMillian 8177 Island Circle
Trespassing into his property. Homeowner has called the NPO numerous times concerned that teenagers are jumping over the brick fence as a short cut. He has place numerous signs on his front yard and on the brick fence for No Trespassing. He would like for the HOA to plant some bushes so the teenagers will stop jumping over the fence. The fence is PID 6 property and d not Park Glen HOA. Even though there has been no break -ins for 12 years homeowner is still concerned. PG has advised him to plant any flower he would like on his side of the property, PG has never allowed to achieve or use deadly force. **Will contact PID6 and inform Mark Pacheco of this information.**
