

N12's Beat- Officer SA Cryer #2680

April 4th to April 10th 2015

Theft

Ten minor thefts were reported: seven were shoplifting, and the others consisted of known actors and/or non-preventable offenses. I reviewed all reports and the only trend data to relay was shoplift suspect vehicle: Gold 1997 Toyota Camry, TX-132964D, occupied by 2 B/Fs and a B/M.
