Significant Information

There is a continuing trend of similar offenses in the Watervue Apartment complex, at 8660 N Beach St. A BMV occurred 2 weeks ago, as well as 2 Burglary of Building last week and another one this week, with same MO as above and door locks that are easy to defeat. I've met with the manager to discuss increased security measures and made the courtesy officer aware, as well as requested extra patrol from my beat officers and COPs.
